

THIRD EDITION

DOHA ARBITRATION DAYS **2026**

20–21 September
Sponsorship Brochure

An Expanding Regional Platform for Arbitration and Dispute Resolution

Under the Patronage of the Minister of Justice Hosted
by the Ciarb Qatar Branch

Following the outstanding success of the first two editions, Doha Arbitration Days returns in 2026 as an expanded two-day platform for arbitration, dispute resolution, construction, commercial law, expert evidence, and international legal practice.

The third edition will take place on **20–21 September 2026** in Doha, Qatar, bringing together leading arbitrators, judges, counsel, experts, academics, institutional representatives, law firms, contracting companies, consultants, and senior professionals active in disputes and major projects.

Doha Arbitration Days is no longer only an annual conference. It is becoming a fixed date in the regional arbitration calendar: a place where the market meets, current issues are debated, professional relationships are built, and the direction of dispute resolution practice in Qatar and the wider region is discussed.

The third edition is held under the patronage of His Excellency the Minister of Justice, whose attendance reflects the standing of Doha Arbitration Days and the support of the State of Qatar for the development of arbitration and dispute resolution.

The 2026 edition will further be attended by the Ciarb Global President, Cesar Pereira C.Arb FCI Arb, reflecting the growing international standing of the event.

Sponsors of Doha Arbitration Days 2026 will benefit from direct access to a concentrated audience of decision-makers, practitioners, experts, and institutions. Sponsorship offers not only brand visibility, but positioning within one of Qatar's most important professional platforms for arbitration and dispute resolution.
